## FIGHT SONG

Now high school men from sea to sea  
May Sing of Colors too,  
But who has better right than we  
To raise our symbols true?

For Highland men in battle fair  
Since fighting days of old  
Have proved that we've the right to wear  
The blue, and green, and gold.

# Side by Side

— Kay Starr

This year  
age old Rivals  
and  
Shoreline  
were united . . .

Together we work  
Together we play  
Work for Tomorrow  
Forget Yesterday  
Our strength doubled  
Our potential strong  
Two as One . . .  
We've only just begun!

# **Friends Are Friends Forever**

— Michael W. Smith

## Time Out For Fun

— Devo

# Stand By Me

— Ben E. King

As summer came to a close and classes prepared to start we all wondered what the new Shorecrest would look like. The construction which had devastated the school the previous year was to be ALMOST finished. Everyone was looking forward to having the school back from the construction people, as well as not having to dodge bulldozers in the hall or trying to talk over jackhammers. Who can forget carrying umbrellas around in the hall, or the thoughtful sign somebody put up outside the Library declaring it as the Beirut Airport?

When students and teachers entered the "new" school, it took time for everyone to get acquainted with it. Even Seniors could be seen, map in hand, looking for a classroom.

Although it wasn't until December, with the dedication of the Performing Arts Center, that we finally got our school back to ourselves, it was worth the inconveniences. Shorecrest is a new school and one that students will love for a long time to come!

The Pipe Band Class — These dedicated young individuals received their own sets of pipes just after Christmas

The Pipers are one of Shorecrest's oldest and most revered traditions. Mr McKai teaches them authentic Scottish songs, while Tam Osbourne tries to keep them under control during assemblies, games, and special performances. Members are Rusty Crawford, Rick Stephaniak, Derek Desvoigne, Chris Villareal, D.J. Northrop, and Jason Merrill.

## PIPERS

# LASSIES

Under the direction of advisor Inga Aire and coach Karen Shelton, the fifteen Highland Dancers comprising this years' team performed at assemblies as well as doing many out of school performances. Several of the Dancers performed at local Highland Games doing well enough at several of them to bring home trophies. The Lassies represent another of Shorecrest's Scottish traditions, providing a uniqueness unrivaled by any other school in the area.

Lassies are: Amie Malon, Renee Saltzgiver, Heidi Oland, Shyla Esko, Linda Williams, Dana Heaverlo, Laune Winblade, Maureen Hickey, Rene Nims, Mandy Tip Ton, Amy Jenkers, Ann Marie Cuver, Kim Eames, Cheryl Shi, and Lisa Gonzalez.

Drum Major Chris Villareal, Head Piper D J Northrup, and Lassie Captain Rene Nims provide the valuable leadership for the groups responsible for putting our Scottish Pride on display

# FLAG TEAM

Members of the Flag Team combined their individual efforts to make this year one of the best ever. Co-Captains Carrie Page and Dana Tonkin led the team through the many routines they performed at assemblies and games. Over the summer, the team's talent and skill won a first place at flag camp, proving again Shorecrest students are leaders in yet another area.

Darlene Paez, Linda Tonk, Darcy Keene, Susan Kieper, Lori Cook, Paula Michele, Jennifer McMasters, Stéphanie Lee, Tina Haines, Vicki Taylor, Vicki Knutson, Emma Alisic, Wong, Tammy Knujsen, Amy Shandhan, Angela Namstad, Janae Johnson, Perry Tsoi, Vanessa Hankin, Kristina Dietord, Maria Angeles, Kavie Malone

# CHEERLEADERS

The 1986-87 Cheerleading Squad started off the year with a lot of enthusiasm. Over the summer the Cheerleaders won the pep paddle at camp, which proved that they had the most spirit. Not only do they perform for sports, but they also perform with the marching band, and for our pep assemblies. The Cheerleaders were specially selected this year to perform during the half-time show of both the Seahawks and Huskies games.

This year's squad consisting of five girls from Shoreline and nine from Shorecrest came together to make the first year of the combined schools a very spirited one. The cheerleaders led a busy year, going to Abbotsford, B.C., with the Marching Band, cheering at every game, and urging on the Scots all through another successful Shorecrest year.

With all these fears  
hopes and sometimes  
that go along with the  
first day of school. Will it be  
hard? Will all the kids like  
me? Will I like them?

Say as time  
starts to pass  
the questions we have found that  
comes even though  
out there see a new  
and different kind of  
kind of school  
but it is a new  
experience both at the same time

# SENIOR OFFICERS/COMMITTEES

## THE SENIOR CLASS OFFICERS

Co-Presidents Darcie Keene & Elaine Pundo  
Co-Vice Presidents Rajy Abulhosn & Jay Byunn  
Co-Secretaries/Treasurers Howard Hu & John Joosten

The Senior Class of '87, under the leadership of its class officers was one of the best ever to pass through the halls of Shorecrest. The Senior committees worked hard to make sure the year ran smoothly. Most of the class' work was directed towards graduation, and the festivities that go along with it.

Many fund raisers were sponsored by the Senior class throughout the year, including a school-wide sweatshirt sale. Even though the class directed its energies toward graduation, the Senior officers made a special effort to get the Annual's Senior section in color.

The Senior Class also succeeded in showing the most spirit at Homecoming, as they walked away with the coveted Spirit Bell.

## ALMA MATER

From the hills of Shorecrest  
My heart goes out to thee,  
As the sun goes down,  
To the shorecrest High.

Hail to thee, Shorecrest High,  
Our colors green, and blue,  
See our Alma Mater High,  
In her colors we'll be true.

With memories of Shorecrest High,  
Never, never will we part,  
Voices of Shorecrest High,  
Songs of praise to Shorecrest High.

# ASB OFFICERS

**PRESIDENTS:** Paula Mitchell Steve Wilkenson  
**VICE PRESIDENTS:** Susie Cramer, Renee Greenup **SECRETARIES:** Kelli Russell, Aaron Peterson **TREASURERS:** Scott Johnson, Terry Onustack

Under the direction of the ASB officers the 1986-1987 President's Cabinet worked hard to unite the school, as well as organize most school activities. Committee Chairmen were selected early in the school year. Their dedication, along with that of the elected officers, provided many successful events. They sponsored dances, pep assemblies, homecoming events, and kept the school aware of all activities. Coordinator Wally Lis watched over and advised the group. Nice job guys!!

# NATIONAL MERIT

The National Merit Scholarship Program recognized and honored outstanding students around the country. Over one million students compete in the annual Merit program. Approximately 35,000 students are honored as "commended students" and approximately 15,000 students are designated "semi-finalists". Shorecrest is proud of her National Merit Scholars.

HONOR SOCIETY

# TATTOO

Tattoo is the name given to Shorecrest's literary magazine and it's hard working staff. The Art League has shared the numerous responsibilities with the staff. Led by advisor Mr Tracy and editor Julie Blackwood, the staff met after school on Wednesdays to publish the Tattoo in May.

Members: Julie Blackwood, Jennifer Brandon, Lara Cady, Aine Donnelly, Kerry Jolly, Anna Lee, Elisa McFeron, Alix McNamara, Tammy Miles, Nichole Renaud, Alicia Rossano, Lynn Walken

The Student Newspaper at Shorecrest, "THE HIGHLAND PIPER", covered the major school and community events under the guidance of Editor Scott Johnson and Advisor Mrs Potter. Although the year started with a staff lacking in experience, the students picked up their knowledge through on-the-job training and developed into a seasoned staff. Students not enrolled in the class also helped by contributing stories and photographs for publication.

# DOOM

A few days later, I was at  
the airport, waiting for my flight.  
I had just come from a  
workshop in New Mexico,  
and I was looking forward to  
returning home. As I stood  
there, I saw a man walking  
towards me. He was wearing  
a dark suit and tie, and he  
had a briefcase in his hand.  
He stopped in front of me  
and said, "Excuse me, but  
is this your bag?"  
I looked down at my luggage  
and realized that it was  
indeed my bag. "Yes, it is,"  
I replied. "Is there something  
wrong with it?"  
The man looked at me  
with a worried expression.  
"No, it's just that I'm  
worried about losing it.  
It's a very important bag,  
and I don't want to lose it.  
Can you help me find it?"  
I thought for a moment.  
"Well, I can't exactly  
help you find it, but I  
can try to make sure  
that it's safe until you  
get back to your car.  
Would you like me to  
keep an eye on it for  
you while you go through  
security?"  
The man nodded his head.  
"Thank you so much,"  
he said. "I really appreciate  
it. You're a good person."  
I smiled and replied,  
"It's my pleasure. I'm  
glad to help." And with  
that, I turned around  
and continued walking  
towards my car.  
As I got into my car,  
I noticed that the man  
was still standing there,  
watching me leave.  
I waved at him and  
smiled again.  
"Goodbye," I said.  
And with that, I drove  
off, leaving the man  
standing alone in the  
airport parking lot.

# ORCADIANS

Orcadians was the largest singing group here at Shorecrest. Their innovative sound pleased the crowd at their many successful performances. They traveled up to Powell River, Canada, where they made an impressive and lasting mark in choral directors minds from around the Northwest.

The Advanced Treble Choir has made numerous public appearances. This all-girl choir sings various types of music, including musicals and pop. Their audiences range from gatherings of residents at local nursing homes to full concerts at Shorecrest for the students and parents.

**ADVANCED TREBLES**

# ORCHESTRA

The Orchestra, conducted by Mr Tam Osborne, stayed very busy this year, with many trips to places like the Gresham, Oregon, Orchestra Festival in April, Spokane, and to Kellogg Middle School. In order to finance many trips like these, the orchestra organized a coupon drive, placing over 5 000 dollars worth of coupons on products, to get reimbursed for their time and dedication. With the help of a select few the orchestra was able to meet the demands of the community.

Highlighted by new uniforms, the Wind Ensemble traveled to Ottawa to compete in the Canadian National Concert Band Finals again this year. After receiving a gold medal in this event in '86, the group was asked to enter the contest again. They also competed in the Abbotsford International Band Festival and at the Sno-King concert here at Shorecrest.

## WIND ENSEMBLE

The new uniforms for the Symphonic Band looked great at the bands' premier performance in the new auditorium on March 12. In April, they competed in the Abbotsford British Columbia Band Festival, as well as competing in the Large Group Contest at Shorecrest. In addition to serving as the Marching Band in the fall, they also put on a super holiday concert on December 15.

## SYMPHONIC BAND

# JAZZ ENSEMBLE

This outstanding group included 13 seniors out of the 19 members. They were guests at two different high schools in the fall because of the unfinished auditorium, finally playing in the new hall on February 26. Then they went on to compete in the Vancouver B.C. Jazz Festival. Later performances included one at Bellevue, and a special appearance in Portland as part of the Rose Festival.

The stage band this year performed for both the community and the school. Mr. Boehme, their teacher, said that they were a great group to work with and that they have a lot of potential. Shorecrest should feel lucky to have these very talented people with them.

# D.E.C.A.

DECA (Distributive Education Clubs of America) was brought from Shoreline as a new program to Shorecrest this year. Its main goal is to learn about the world of retail merchandise through hands-on experience. The club requires every member to hold a part-time job contributing 200 hours for each semester. In addition, the students work in the school store, "Scot's Pub", for 100 minutes each quarter. President Dan Koch and Advisor Mr. Moore arrange club meetings every Wednesday to discuss present and future plans. Such plans included trips to New York and New Orleans.

## MEMBERS

This year, Commercial Foods was supervised and taught by Mrs Eguchi. The knowledge that they attained through hands on experience and group instruction produced a profitable class with responsibility and leadership. Once a week, the students transformed into cooks and waiters to run a miniature restaurant for the non cafeteria-bound students and faculty. Together, they contributed their efforts toward pleasing everyone with good food and service

V.I.C.A. (Vocational Industrial Clubs of America) is designed to give students enrolled in trade, industrial, technical, and health occupations classes a chance to participate in leadership activities. At Shorecrest, the drafting, electronics, and woods classes have chosen to take part in this club also.

Shorecrest V.I.C.A. has already had some very successful activities including a gift wrap booth at the Aurora Ave Sears Store. They also had two students elected to leadership positions outside of the district. Mark Rodewald served as National Vice-President, and Jay Byunn was Washington State Secretary.

Competitions this year included Regionals in February and March, State in April, and possibly the Nationals in June.

**FOODS/VICA**

# M.U.N./INT'L CLUB

Model United Nations found itself strengthened this year by acquiring many members from the well-established Shoreline club. They attended General Assemblies at Shorewood, as well as some sponsored here at Shorecrest. Some members also became involved in the conference at the University of Washington. Topics of discussion ranged from Central American affairs to the Middle East!

**MEMBERS:** Jennifer Allman, Clark Boswell, Sun Hee Choo, Ryan Collier, Anne Marie Culver, Heather Davis, Mark Engel, Brad Fritzler, Gary Hintze, Nelson Huen (Treasurer), Hun Khou, Endel Kolde (Co-President), Cheng Chi Ku, Dan Kwak (Vice President), Peter Lawson, Ben Lee (Secretary), Linda Lee, Elena Masanda (Co-President), Ben Moore, Armarpaul Sidhu, Allison Sutton

Approximately 50 students were involved in Shorecrest's International Club this year. The club is designed for students who are interested in other nations, languages, and cultures. The club members, along with Advisors Mr Langley and Mrs. Smith, have built acquaintances with foreign exchange students attending Shorecrest. Other activities included parties, games, and the setting up of the Homecoming display.

"Close-up" is a week long intensive study of our nation's government. The members go to Washington, D.C., to observe Congress and other governmental groups in action. In addition, they also do some sightseeing along the way, going to places such as the monuments in town, and also to Williamsburg, Virginia, where our first parliament originated.

Members: Dan Bernard, Eric Brough, Anne Marie Culver, Stephen Dowdaey, Don Fitzpatrick, Anne Hagen, Dawn Higgenbottom, Jeff Johnson, Isa Houger, Stephanie Jordan, Danie Kruger, Andy Larsen, Krist Larsen, Monika Lounsbury, Sheila Mason, Tori McNeil, Scott Merritt, Mike Melville, Heather Perry, Garth Peterson, Josh Pidry, Kalja Pochee, Todd Prekaski, Holly Sarkill, Carrie Scoby, Erik Skuja, Ric Stefanik, Bob Steiner, Mike Weier, Aaron Whalen, Shelly Williams, Mark Witter

**CLOSE-UP/SKI**

# NUMBERS ONLY/CHESS

Numbers Only, Shorecrest's math club, was designed to help students in and out of the group. Ms. Durbin and Ms. Chamberlain helped the students to associate the fun aspects while learning math.

Various activities took place in and out of the club. One example was the tutoring program provided by members to others not so adept in math. After School, math contests were held, and practice situations for this year's SAT's were offered.

This club not only was concerned with academics, but also with the more enjoyable aspects of math.

Chess is usually not regarded as a sport, even though it is a game of wit, skill, knowledge, and the desire to vanquish an opponent on a field of battle, albeit a rather small field. It is a battle of enemies, to the figurative death of one, the joy of victory to the other.

Chess must be practiced over and over again, specific moves and strategies must be learned (and some unlearned), and the skill of your competitor must be assessed at all times to assure a victory. Under the skilled guidance of Mr. Tracy, the Club did well enough in a very tough league to place fifth.

A Computer Fable: Once in the great Computer Kingdom, there was a group of **BIG** ants, and a group of **tiny** ants. There were many big ants. They were named "Big Shot Ant", "Survival Camp Ant", "Business Ant", "Closet Ant", and "Drop Out Ants", as well as the worker ants. And the Ant King said to the ants: "Group, go to work!" But the big ants had nothing to do, so they helped the little ants, and the world rejoiced! So all the ants lived happily ever after (even without their Scottish computers)

The A-Team consisted of students from different groups of the school in order to have a well-rounded background from which to contribute ideas and input regarding alcohol and drug abuse. Led by advisor Ms. Eklund, they also tried to make students feel at ease in coming to a member of the group in order to talk about their own lives, or about ones close to them, in a non-judgmental and helpful way.

Computer Club Jam Master: Sung Kim  
Co-Presidents: Brook Anderson, Robert Christ, Kristin Coulter, Aine Donnelly, Chris Espejo, Robb Faller, Tony Fan, Joel Hoadley, Howard Hu, Nelson Huen, Jon-Paul Jones, Hun Khou, Davina Kim, Cheng Ku, Daniel Kwak, Mike Lambert, Shun Lee, Scott Pettit, Chris Putnam, Philip Shen, Vicky Treyger, Steve Wilkinson

The A-Team: Renee Carpenter, Derek Falor, Peter Heryford, Dawn Hickenbottom, Jennifer Jacobs, Emily Lawson, Peter Lee, Michelle Marklund, Baen Nagamatsu, Jennifer Nosworthy, Kelli Sidick, Debbie Teeter, Matt Weathers

## COMPUTERS/A-TEAM

# DANCE

Ms. Pamela Lyons created a Performing Dance Group for the first time this year. They not only performed in their own production, "Energy in Motion", and assemblies here at school, but also at The Pleasure Palace and at other schools in the district. This is one of the few schools in the nation that has a dance performance group. As talented as this one is, Ms. Lyons offers a dance class each semester to young men and women who wish to learn more about movement, creativity, and reaching professional performance potential.

The art students felt that this was the year to form Art League, one of our newer clubs. Their goal was to become recognized as a part of the National Art Honor Society. Faculty advisors Cheryl Johnson and Del Hansen planned various activities and field trips with the Executive Committee, which consisted of Sherri Whitmarsh, Eric Klokstad, and John Grade.

The Art League provided an art display for this year's twentieth anniversary celebration of the Shoreline Library. Their field trips included a trip to First Thursday, the monthly openings of art galleries in Pioneer Square, local art schools, and museums.

## Junior Senators

The Class of 1988 had a very spirited year. Gone are the young Sophomores who threw firecrackers down the bleachers at pep assemblies, replaced by the organized Juniors who captured first prize with their bleacher design at Homecoming.

With the help of advisor Frank Crosser, the Junior Senators, Matt Helett, Monica Cooper, Lori Johnson, Baien Nakamatsu, Cory Scherrer, and Carolyn Krohe, all put their heads together to make money for the class fund. Some of their fundraisers were dances (where they made a LOT of money), the Christmas Wrapping Booth at Lake Forest Park Center in December, and candy grams all through the year.

With all the hard work of the senators and the rest of the class, the Class of 1988 will make for a group of winning and VERY SPRTED Seniors next year.

# Sophomore Senators

This years' Sophomore class was very energetic. Led by senators Andy Gallagher, Brent Binge, Emily Lawson, Hyesook Chung, Jennifer Hoverson, and Josh Keene, they worked together to earn money to be used in their Senior year. With the help of advisors Rick Nordby and Nick Schulz, the class organized dances and sold candy grams, ensuring their status as valuable assets to Shorecrest for their remaining years.

# Freshmen Senators

This year's Freshman Class was very eager to become a part of Shorecrest. TAG, a new program this year, was set up to help the incoming ninth graders adjust to the routine of High School life. It gave the Frosh Big Brothers and Sisters they could turn to if they had any problems or questions.

Led by Senators Joe Hayes, Jason Bremer, Deanna Nienhuis, Jake Freeman, Keven Predmore, Krissy Lee, and Advisor Mrs. Eklund, the Freshmen started their progression through Shorecrest by selling candy grams at Homecoming.

With their high expectations of themselves and of their class, the Class of 1990 will do well.

# VARSITY FOOTBALL

## The 1986 Varsity and Junior Varsity Football Team

Coach Beau Edwards welcomed a number of returning players, as well as former Shoreline players, with Shoreline's head coach, Stan Taloff, becoming Shorecrest's offensive coordinator. With the combined strength of Highlander and Spartan players, the varsity team came through with a winning season. Edwards, who has been head coach for five years was quoted as saying: "It's not that we have a lot of stars, but we have a lot of depth."

With wins over Bainbridge, Lynnwood, Edmonds, and Woodway, and the all important Homecoming win over Meadowdale, it was a successful last season as a AA team, and the school is looking forward to playing AAA next year.

# J.V. FOOTBALL

With wins over Bainbridge, Lynnwood, Edmonds, Shorewood Meadowdale, and a tie with Lake Stevens, the 1986 team had a 5-1-2 record, ensuring some solid talent coming up through the ranks for Coach Edwards Varsity squad. The going will not be getting any easier, as Shorecrest, moving up to AAA for the 1987 season, will be facing some tough tests. However, all on the team feel that with the merger of players and coaches from Shoreline, Shorecrest will be a power to deal with in the future.

The Freshman-Sophomore football team enjoyed an outstanding season highlighted by a hard hitting win over Lake Stevens 6-0. Completing the season with a 4-1-1 record, the 34 players involved demonstrated vastly improved individual skills and team concepts from the beginning of the season to the end. Coaches Alan Lesh and Dahn were extremely pleased with this team's efforts, giving Shorecrest continuity for its march into AAA football with solid players moving up the ladder year after year.

In previous years, Girls Soccer has proven itself to be one of Shorecrest's most successful teams. This years' squad was no exception. Once again they had a winning season as they brought home another Wesco Championship.

# GIRLS' J.V. SOCCER

**BACK ROW:** Shaw, Alys Farsse Shah, Kelly Rutherford Kerr, Lauren Scannell, Michelle Scannell **MIDDLE ROW:** Kristi Budge Kerr, Neve, Amy Ranch **FRONT ROW:** Amy Demick, Kelly Gidner, Michelle Marklund, Molly Major, Tamara Donaghy

Girls' soccer added a JV team this season for the first time in six years. This hard-working group of players dedicated themselves to pushing the varsity and at the same time, winning nearly all their own games. Several of these girls are looking forward to playing varsity next season.

This year Shorecrest added a 3rd team to volleyball. This 3rd team consisted of very energetic and enthusiastic freshmen. They all have shown a lot of potential, and have proven themselves to be winners. Mr Reed was chosen to coach the 3rd team. With his help the team grew tremendously, not only in their individual abilities, but as a whole. The girls on the 3rd team have shown that they can pull together and make a winning team, and definitely have a great future in volleyball!

**FROSH VOLLEYBALL**

# VARSITY VOLLEYBALL

This year's Varsity received many good players from Shoreline. Once our rivals, all players pulled together to make a winning season for everyone. The Varsity team this year was invited to a Saturday match against Lynnwood, Mountlake Terrace, Edmonds, Shorewood, Woodway, Meadowdale, Roosevelt, and Garfield, winning 5 out of 8 matches.

The team grew tremendously throughout the season. With the support of the fans, they brought in a winning season.

The Junior Varsity Volleyball team this year has brought in a lot of very talented girls, although the majority of them had returned from the year before, the new girls had a lot of potential and worked very hard at improving their skills. The team coached by Ms. Miller, practiced every day on their skills and became a team that worked together. The girls on the team still have a few more years to go, but have already proven to be a growing and winning team.

OUR FEARLESS LEADERS

The 1986 Girls Swimming team had 47 very talented people, sending 5 to State. The state qualifiers, swimmers Jennifer Biffer, Shelley Murphy, and Sarah Suhadolnik, divers Ann Marie Culver and Emily Peterson, along with the five senior captains, Darcy Keene, Julie Mutholland, Sonja Aldrich, Timi Hutchins, and Kim Paddleford, led a very experienced group to an 8.4 record this year. Such things as team balloons and 7:00 a.m. breakfast meetings helped keep the morale high as well.

Led by first year coaches Jody Kleven and Chuck Kroil, the squad practiced hard and competed hard as evidenced by the record. With the talent returning next year, Shorecrest should be again at the head of the pack.

# GIRLS X-COUNTRY

The Shorecrest Girl's Cross Country Team, led by Freshmen Deanna Nienhuis and Leah Hoyer, capped their season with a 4th place finish in the State Championships. Other members of the late surging Girl's Varsity were team captains Suzanne Nienhuis and Mandy Tipton, plus Lara Nachem, Kathy Bevington, and Suzanne Bachler. It was not until the 3rd place finish at the WESCO Championships that the team began to show its real potential. A week later they upped their status with a 2nd place finish at Northwest District and ran their greatest race at the State Meet.

The boy's team had great hopes for another banner year based on two consecutive State Championships in 1984 and 1985. But numerous injuries to key runners such as Sean Delich and Terry Hyppa severely reduced the team's potential. With the youth on the team it is hoped they will be back on track next year for another shot at the state title.

**BOYS X-COUNTRY**

# BOYS TENNIS

The boys J.V. and Varsity tennis teams started out as a very promising group of hardworking students comprised from the Shorecrest and Shoreline teams of last year.

Many players called this tennis season one of their best ever, winning many of their matches and learning a lot from their coach, Mr. Devalle. Although for the Shoreline players, it no doubt took some getting used to a new coach, they all came out winners in the end.

# BOYS BASKETBALL

# BOY'S JUB-BALL

The Boys Junior Varsity Basketball team had a very good year. With much talent the team had a winning season. There is much potential and these players are the varsity team of tomorrow, to carry on the winning Shorecrest tradition.

The Junior Varsity started off great and went strong all year, coached by Ms. Eklund, who is in her first year of coaching. With three freshmen on the team and many new players, the team learned very fast and improved tremendously, having a lot of fun along the way.

**GIRLS J.V. B-BALL**

# GIRLS BASKETBALL

Struggling to come of age in a tough league, the '87 girls varsity fought through their inexperience in a losing effort this season. Although not reflected in the record, they showed a lot of grit and determination while losing some heartbreakers. In citing the combined forces of Shoreline and Shorecrest, these girls feel that when Shorecrest is in the AAA division, they'll be ready, or as the popular saying goes: "Wait 'till next year!!!"

# 3RD TEAM BASKETBALL

The 3rd Team Basketball teams did extremely well this year. They spent most of their practices learning their positions and learning new plays. "The team grew tremendously and really worked hard at playing together." All of the coaches look forward to working with them. And in the future they feel they will be a winning team.

**3rd TEAM BOYS' BASKETBALL:** Brent Cole, Craig Downden, Brian Eggen, Tyler Grerer, Dan Grooters, Ryan Grooves, David Jochim, Matt Lewis, Tim Lindhart, Brian Marklund, Bill Rodeo, Robert Sy, Mike Wendt, Mark Writer, Spiro Zeffrey, Coach Mike Grover

**3rd TEAM GIRLS' BASKETBALL:** Heidi Rutledge, Rochelle White, Nita Shin, Jessica Muholland, Lisa Mehlerte, Carolyn Hayes, Tracy Carroll, Kira Nordby, Stacy Ottmar, Lynette Charwood

Shorecrest's 3rd team, made up mostly of freshmen, worked hard in practice and learned each others strengths. This is Shorecrest's first 3rd team ever — and promises to produce several players with varsity potential in future years.

## THIRD TEAM SOCCER

# VARSITY SOCCER

Shorecrest Varsity Soccer Team was made up almost equally of Shoreline transfers and returning Shorecrest players. They jelled together into a cohesive unit and played excellent soccer. Led by senior captain Dave Sharp, the defense gave up few goals. The midfield was directed by junior Scott Martin who got the ball to our fast forwards, led by freshman Jason Farrell and senior Craig Walker. The varsity team set their sights on a high finish in the Wesco standings and a berth in the State Tournament.

# JV SOCCER

Shorecrest's first JV team in several years started their season with a comeback win over Lake Washington and used that as a base for an excellent season. Several players are preparing to play varsity soccer in the future.

Some major shakeups in both the Shoreline and Shorecrest Varsity Baseball programs required some of the players with varsity experience to play at the J.V. level this year. As a result, Shorecrest's future looks very rosy for the next few years as these players gain valuable playing time at this level rather than having to sit on the bench for the Varsity.

## J.V. BASEBALL

# VARSITY BASEBALL

This year's Baseball program was not just an ordinary team. Not only did the players practice on the field, they also attended a voluntary series of seminars on leadership and goals setting.

Coach Taloff felt that the team was both physically and mentally strong. The whole team pulled together to make a powerful and exciting game. A strong bench, positive outlook, and creative game plan marked the Shorecrest baseball program for 1987. The will to win was the will to work, according to Taloff. Players were reminded that success is a journey, not a destination, the greatest joy is loving the game, not just playing it or winning it.

With these strengths and philosophies as its foundation, the Shorecrest baseball program offered itself and the fans the greatest opportunities for success in 1987.

# UARSITY TENNIS

Even though rain hampered the practice time of the 1987 Girls Tennis team, the mood was very positive. The eight returning varsity players were bolstered by teammates who have been in the program two years.

Forty-six players, led by co-captain Melinda Yeomans and Susan Kiepe, turned out for tennis this spring. They know this will be a good season.

Above: In FRONT ROW: Linda Lee, Erin Petit, Katie Malone, Chia-Lin Haung, Susan Kiepe, Kyong Oh, Carrie Newell, Claudine Manio.

Mr. Majorowicz has shown his great abilities at coaching this year with a winning junior varsity team.

This years junior varsity has shown their stuff by starting off their season winning all and losing none. Credit should be given to both Mr. Majorowicz and the girls junior varsity tennis. The team is working hard and striving to be the best that they can be. Congratulations for the good job done this year, and good luck.

**J.V. TENNIS**

# TRACK

With several returning varsity members and a turnout of more than eighty, the 1987 track team had an outstanding year, performing well in the weekly meets and being very competitive in the Pasco, Oak Harbor, and Highline invitationals. Even with a dramatic change in coaching staff, the team pulled together to achieve victory. The large amount of underclassmen athletes should no doubt prove for an incredible season in 1988.

# VARSITY SOFTBALL

Shorecrest's Varsity Softball team grew larger and stronger due to the addition of many players from Shoreline. With the help of coach Tom Watson the girls proved themselves capable of capturing many victories. These victories will hopefully make Shorecrest a stronger team in the future.

# J.V. SOFTBALL

This year's Junior Varsity softball team has proven themselves to be a very dependable team. They have shown their talents and athletic abilities during the rough games that they played. The team has a lot of potential to become a very strong team that plays well together. A softball team like this one makes Shorecrest very proud.

# The Loch Staff Dedicates The 86-87 Loch to These Memories

## HOMECOMING STATS

Theme:	"When You Wish Upon A Star"
Spirit Days:	Monday: Green & Gold Day Tuesday: Mickey Mouse Club Day Wednesday: Pirate/Sailor Day Thursday: Pajama Day Friday: Dress-up Day
Mums:	\$2.00
Homecoming Dance Tickets:	\$8 w/ac-\$10 w/o
Spirit Bell:	won by Senior Class

At Shorecrest, we have the best of both worlds, a blend between the blue and gold Spartans, and the green, blue, and yellow Scots. We have a superior mix of staff that can't be equaled and a facility that has been the object of our dreams. What's more — things really happen at Shorecrest. TAG groups incorporate 9th graders into the mainstream while "Lads & Lassies" dance as the bagpipes play. Knowledge Bowls prove the wisdom gleaned in classrooms. Drama, music, athletics, and activities excel. There is camaraderie at Shorecrest and people really care about one another. The counseling staff strives to take a holistic approach to help students develop their full potential intellectually, socially, physically, emotionally, and aesthetically. All of us join hands in a team approach to make the Shorecrest experience worth remembering.

The new teachers who joined us from Shoreline added strength and versatility to the English staff. With the increased number of English teachers and the addition of the Performing Arts Center, the school was able to offer a larger variety of English courses.

In addition, the computer lab added a new dimension to our ability to teach writing skills. Our school is now more advanced with special programs to help students learn more and better things.

The fine staff in the Home Economics Department was enlarged this year to four teachers. A broad spectrum of classes, including housing and interior design, foods, commercial foods, gourmet foods, child development, child psychology, clothing, power and career sewing, consumer economics, and family living, was taught. The new facilities enabled our students to achieve new horizons with the home economics field.

The Factory, located in two adjacent portables, instructed students in the commercial sewing industry. The Highlander Cafe, with its new dining room and commercial kitchen, gave students valuable training skills that they can put directly to use as employees in restaurants. Our preschool, operated by child development students, enable individuals to practice child care techniques for future jobs in early childhood careers.

The size of the Directed Studies department has more than doubled this year. Besides welcoming students from Shoreline High School, we also are very pleased to be serving students who were at the North City Training Center and Maxin School.

The goal of our program is to help each of our students regardless of his or her problem or handicap, reach his or her maximum potential academically and vocationally. Because of the hard work of the members of the Directed Studies staff and the support and cooperation of the rest of the Shorecrest staff and student body, this goal will be met.

We, the 1987 ~~Zodiac~~ staff, would like to take this opportunity to thank all the faculty, staff, and administration for their time and dedication to better educate us all. We would also like to thank you for providing a smooth transition in what could be best described as a very trying situation. We know it wasn't easy, and we appreciate your efforts to unite Shorecrest into the best school it can be.

## FERRIS BUELLER'S DAY OFF

PARAMOUNT PICTURES PRESENTS FERRIS BUELLER'S DAY OFF DIRECTED BY JAMES L. BROWN STARRING MATT BROWNE, JOHN GOODMAN, TIGER MEYER, MICHAEL CRAVEN, ROBERT WILSON, RANDY QUAYLE, AND RICHARD DREYFUS. A PARAMOUNT FILM.

One day on Ferris Bueller's Day Off, he was walking around the Platoon when he ran into Crocodile Dundee who was Armed and Dangerous. He saw that there would be No Mercy, so he asked Sid and Nancy for their Top Gun. What he got was The Three Amigos dressed in The Color Purple because Peggy Sue Got Married. All of a sudden, to Ferris Bueller's surprise Crocodile Dundee turned into a Black Widow. Before the Three Amigos would help, they asked for an Outrageous Fortune and wanted to see The Color of Money upfront. Ferris said that those words were Crimes of the Heart. The Amigos agreed, saying that they were Children of a Lesser God. Then Ferris said Stand By Me and we'll take The Fly going Over The Top, through The Little Shop of Horrors to kill the Soul Man called Crocodile Dundee. On the way, they picked up Ferris' Stepmother, named Lucas, who thought he was a Golden Child. They sang The Song of the South, and with Some Kind of Wonderful they ended the Big Trouble in Little China. After the Mission ended, they continued on their Star Trek and headed for home. Ferris said "I've seen the Light of Day, so it's Back to School for me" And that concludes my American Tale.

-Mane Biehl & Dawn Mooney

MUSIC ... MUSIC ... MUSIC  
This year was certainly a fun filled one. It filled our minds at dances, it blasted our parents out of the house, and it rocked our cars.

With the genius invention of the compact disc, music became even more fun and more important. Those little gold discs cost more, but were well worth the investment of \$12.95, generally because the discs were static free, and could be played louder than before with less distortion.

This year's favorite stars were diverse in their style, ranging from the whimsical lyrics of Whitney Houston to the heavy beat of The Beastie Boys. But one thing is sure, the music of the late 80's had a style that was all our own.

The Annual staff took a poll of fifty people to find out just what fast food joint is the fastest and the best. Well, here's the results. McDonald's came in first with 23 votes. Many people felt that McDonald's gave them their food fast AND that it really was the best. In second place was Dick's with 18 votes. Yes, the once well known lunchtime hangout has been taken over by McDonald's. And last but certainly not least, in third place with but 9 votes, was Burger King. Though last in the ratings, it was the highest on the list of those students who REALLY enjoy their food.

# COLOPHON

Thirteen hundred copies of the 1987 LOCH were produced by Taylor Publishing Company in Dallas, Texas. The 216 pages, in a 9 X 12 format, were bound in a four-color cover designed by Mr. John Carlson, formerly of Shorecrest. The endsheets are of 85# Beckett stock, with the regular paper stock 80# Westvaco Enamel stock. The type was set in 8 and 10 point Helvetica, with the division pages and headlines set in Tramp, either 36 or 48 point sizes. Eight of the color pages were broken down into two 4-page tip-ins and bound as a permanent part of the book. All copy was typed into an IBM PC, using Taylor's TypeVision Series. The class sections were designed using Taylor's page layout program, PageVision, and the index was formed using Taylor's Index-Vision, which has an automatic indexing function used in conjunction with TypeVision. All pictures, arts and screens were shot with a 150 dot elliptical process screen, with the color pictures being processed using Taylor's Laser Scanner. Taylor Publishing, your local representative, Mike Archer, and your 1987 LOCH staff hope that this yearbook will serve you well in the years to come, and bring the memories flooding back when you happen on it by accident after it has gathered mold, mildew, and dust for years in your basements, attics, or garages.
